DAVINIA TOMLINSON

Congratulations to Davinia Thomlinson, who was a featured speaker at the Black Ballad Weekender 2025 on August 1st as part of the 30 Engaging Sessions, curated to help Black women take another step toward the life they crave.

Speaking on the theme “Raising Money-Smart Kids,” Davinia shared valuable insights on financial literacy, signed and sold copies of her book *Cash is Queen*, and offered words of encouragement to the youth in attendance.

Reflecting on a heartfelt exchange with a young woman navigating financial challenges abroad, Davinia wrote:

“I was reminded of why the work we do at Rainchq, highlighting the relationship between financial well-being and all aspects of our wellness, is so vital.”

She ended with a powerful affirmation:

“Always go where you are celebrated and not just tolerated.”

Well done, Davinia—your work continues to educate, empower, and uplift.
